Erie Excitement

by Lori Benacci

Our Fall Sectional is scheduled for the weekend of October 6-7, 2007 at the Erie Bridge Center on Grant Avenue. For information, contact **Judie Lamberton** 814-838-7637. Plan to attend for two great days of events and hospitality.

Many teams from the Erie area are traveling to the Meadville Bridge Club at St Brigid's Church for the Yalta Team League. Thanks to **Steve and Barb Grzegorzewski** for hosting this event for the second year. 16 teams in two brackets are competing once a month for 6 months. What a great time!

The Annual Meeting and Betty Davis Trophy Game were held on July 15, 2007. **Marc Sylvester and Judie Lamberton** won overall with 20 tables in play.

TABLE TACTICS

Over-calling weak 5-card suits

1. Often allows opponents to more easily find a 3NT contract.
2. Partner may lead your weak suit rather than a better natural lead.
3. Pass smoothly. Opponents may bid your 5-card suit with four and possibly end up in a 4-3 fit in your suit!

2007 Olympiad *by Dick Early*

The 2007 Olympiad had record breaking attendance at 71 tables – almost twice as many as 2005. Thank you to all who attended.

Of the units who attended, five recorded Olympic Points and Cleveland was once again the convincing winner. But they defi-

nately had competition. The Pittsburgh Unit had two Gold Medalists but not enough team members to assist – finishing second.

The Cleveland Unit was led by **Betty Williams** of North Royalton, Ohio and **Leo Mann** of Lakewood, Ohio earning them the MVP Trophies.

The overall finishes:

	<u>Saturday – Aft.</u>	<u>Saturday – Eve.</u>	<u>Sunday</u>

Tri-County Themes *by Alex Bealles*

Although you are reading this in October, as the leaves are changing and the weather is turning colder, I am writing this on the eve of the Labor Day regional in Monroeville. This is always a special time for me, and hopefully for a lot of you, too. It was the first tournament I ever attended and for many years was the only regional tournament in which I had ever played. I always enjoy going there and seeing bridge friends and acquaintances whom I rarely have a chance to see otherwise. Memories of past tournaments also bring a warm feeling whenever I walk into the room. Hopefully, a lot of Unit 229 members will have made their own fond memories this year. A full presentation of your successes will follow in the next issue.

The biggest bridge event for our unit was our annual sectional in July. Once again, the response from volunteers was fabulous and many, many rave reviews were garnered for the wonderful food you made. Several of our members also did well there at the bridge table. On Saturday evening, **Nancy Welsh** finished second in Flight B. In the same event, **Jean Brackett** and **Patsy Bachman** finished second in Flight C. **Dolores Kelly** finished third in C on Saturday evening. Also on Saturday evening, **Kevin Hall** finished first in the 199'er game. **Dolores Kelly's** team finished first in Flight C in the Sunday Swiss.

At our August Unit game, **Dolores Kelly** and **Louise Kylander** came in first E/W and first overall with a huge game, well over 70%. **Henry Nelson** and **Alex Bealles** came in first N/S. As an aside, Henry and Alex also came in first overall on Saturday evening at the Wheeling sectional in August.

Congratulations to **Bill Stewart** of Butler who achieved Junior Master status in August.

Here's my Top 5 list of bridge annoyances.

#5 People who don't pass the boards when the round is called. This would be higher but I'm allowing for the possibility that they are concentrating so hard that they don't hear the round being called.

#4 Women who tap their fingernails on the table while playing the hand. Before you start complaining of sexism, let me say that I would gladly include men here if any had ever done this to me. Tapping fingers and other eccentricities are bearable but that incessant clicking drives me bananas when I'm trying to think.

#3 Coffee cups on the table. What happens nearly every session we play at? Why do people still do this?

#2 People who ask you to pass boards while you are still playing and before the director has called the round. It is very disconcerting to have your train of thought broken in the middle of a difficult hand. The people who do this regularly wouldn't appreciate it if you did it to them.

#1 People who regularly beat me. You know who you are.

Until next time, mjbalex@aol.com.

Whistfully Yours by Bev Carter

The Scholarship Committee received 10 applications this year and presented awards at the August Sectional in Solon (which, by the way, almost didn't happen. One of the players happened to run into one of the center's employees at her exercise class that morning and commented, "I'll see you this afternoon." He said, "No, you are scheduled for the 24th and 25th." A panicked phone call to one of the chairpersons followed. Sure enough, the party center had the wrong dates, even though our contract was correct. Luckily the site was available, but worse yet, the person having the key was on their way to Columbus. We were envisioning hundreds of people milling about the parking lot with no place to play. Unit President **Barb Bacon** rallied the troops, access was gained and 75 card tables and chairs were hurriedly set up. Whew!!!)

The Sectional went off as scheduled with most of the players unaware there was ever a

problem. Thanks to **Barb, Bob Bartko, Sharon Fairchild, Jim Novak and Helene Weiss** for getting us "good to go"!!!

Back to scholarships: A little over \$4000 was given out. Those receiving awards were **Claire Doman**, Loyola, majoring in International Studies; **Elayne Nowak**, Denison University, majoring in Biology; **Dana Phelan**, Kettering University, majoring in Mechanical Engineering; **Kelly Phelan**, Longwood University, majoring in Early Elementary Education; **Laura Beth Robertson**, University of Miami, majoring in Psychology; **Dennis Quigney**, Lakeland College, majoring in Cartography; **Pamela Quigney**, Ohio Wesleyan University, majoring in Secondary Education-mathematics; **Greg Sadowski**, Cornell University, majoring in Computer Science; **Nicole Scholtz**, Cleveland State, majoring in Biology; and **Alex Simko**, Otterbein College, majoring in Sports Management. We wish all these fine young people the best of luck in their future careers.

Summer IMP League has ended with 20 teams participating. Bracket A (9 teams) winners were: **Marge Baldwin, Pat Chisholm, Lloyd Loux and Gary Sikon.** Winners of Bracket B (11 teams) were: **Bill Alcorn, Bev Carter, Gary Collins and Bill Dickinson.** Overall final results, as well as those of our August Sectional, can be viewed on our website whistclub.org. By the time you read this, the winter version, Vichill League will be playing. Subs are always needed, so if you didn't sign up in time to play, you can still sign up to sub by contacting **Dick Burgess**, 440/1729-2392. Make sure you check the CWC schedule on our web site (shown above) for play dates, otherwise you may show up thinking it's a pairs game when it's really a team game

New Life Masters are: **Michael Furlan**, Euclid, **Vivian Shanafelt**, Medina, **Leslie**

Green, Lakewood, **Molly Jaffe**, Beachwood and **Bradley Sevcik**, Olmsted Falls. New Bronze Life Masters (500 points) are: **John Hanson**, Solon, **Patrick Holden**, Hudson, and **Joan Ann Waletzky**, Beachwood. New Silver Life Masters (1000 points): **Edna Marx**, Beachwood, **Irene Harpst**, Cleveland, **Harriet Kitay**, Solon, **Eva Lefton**, Cleveland, **Joanne Schumacher**, Strongsville and **Toby Sternheimer**, Aurora.

For those players new to bridge, **Fran Mulkins** has started a 0-1999 game on Thursday evenings in North Olmsted. She offers a short lesson followed by an evening of bridge. Contact her at 440/353-6931. The Cleveland Whist Club in Broadview Heights will again be offering free "newer to bridge" lessons and lectures starting in the fall. Lessons will be followed by a 0-299'r game. Contact **Bev Carter** at 330/722-8214 for information or to sign up.

As always, we end with the following bridge "wisdom":

**You know you are in trouble
when the first thing your
opponents do is draw trumps
and you are the declarer.**

Slow players take note: a card must be played the same day it is dealt!

A STaC is a Sectional Tournament at Clubs.

This is how it works:

A **STaC** is essentially a SECTIONAL Tournament except that the individual sections of the SECTIONAL take place at individual clubs, at or about the same time, instead of together at one large location.

Every game at every participating club you attend during **STaC** Week may be part of the tournament. The results of the game you play in will be combined with the results from all of the other clubs playing at the same time and one giant OVERALL will be tallied.

Let's say that Olean, Canton, Greensburg, Cumberland and Parkersburg are all playing at the same time. Scoring is first done on a club-by-club basis and SILVER points awarded for each section. Then the results of all four games are combined as if everyone were playing under one roof. Highest percentage score is first overall, next is second overall, and so forth. Because you are competing against so many people, you can earn a lot of points. All of them, whether they are section awards or overall awards, will be SILVER. Yes, it will cost a little more to play in a **STaC** game. ACBL sanction fees are higher and a director must be paid to coordinate the gathering and issuing of points.

Unit 111 News

by *Cathy Marsteller*

First I have some old news to report. **Bill Schaffer** and **Pat Agresta** had a 76% game at the Canfield Club that I neglected to report. WOW, what a game to have someone forget to publish it!

Several members of Unit III took advantage of the Olympiad held in Cleveland. **Bradley Sevcik** and **Robert Carroll** earned bronze medals, and captured three Olympic points for the Unit. Unfortunately, the Unit did not score overall. The next Olympiad will be held in 2009—it's a really good deal. Dick Early reviews all of the hands played and answers all questions.

In August there were some points won at Solon. In the Friday evening open pairs the winners were **Sally Veauthier & Bill Cornwell** with a huge game of 66%. In Bracket! KOs **Robert Carroll & Brad** were 1st, collecting another 10 MPs. In the Sunday Swiss Ax we had a second place team – **Vern DeJong, Dee Bloom, Pauline Sostarich, & Rosemarie Muccio**.

We had a few members of our unit attend the Nashville national tournament. **Millie Artman** had a few section tops. I understand that **Flora Sniderman** won some KO's. **Bill** and **Shirley Schaffer** collected several points, but their proudest time was when they played in the mini-Spingolds. They were seeded 132 and they played the #2 seeds and only lost by 4! This goes to show that a win is not always a win. This, though a loss, was sweeter than many wins!

August 26 was party time at the SS club. **Brad Sevcik** was honored for his achievement of becoming a life master! There was lots of fun, food & bridge. Results of that game:

NS

1. **Brenda Merkich/Chet Moody**
2. **Bill Orton/Bill Cornwell**
3. **Irene Lenno/Nancy Tripodl**
4. **Sally Veauthier/Mary Kundus**
5. **Jim Robers/Agnes Hodge**

EW

1. **Maureen Irwin/Fran Egger**
2. **N. Michael/P. Neidlinger**
3. **B. Billino/T. Matrazzo**
4. **D. Guerra/G. Knox**
5. **R. Carroll/B. Sevcik**

I am writing this having just returned home from the tournament – I do not know the results from Sunday & Monday. One thing I do know is that this tournament has far surpassed previous regionals. The hospitality was terrific & the prizes were plentiful with such a variety (they were very nice & useful!) This was a great job by their committee!

As always our unit did well. **Bern Olmstead & Lynn Rafferty** won the compact KO's & were 4th overall in the Open Pairs. Also overall was **Mike Bugnone** who played with a New York partner and was 2nd in **B. Coming** in 4th overall in C were **Carole Beardmore & Dale Fishbeck**. Receiving section tops were **Vern Dejong & Dee Bloom, Sally Veauthier & Bill Cornwell, Rae Oltean & Alice Williams, Cathy Marsteller & Joe Newton**. Also scratching were **Beth Anderson & Robert Carroll**.

Brad Sevcik was awarded a \$500 scholarship from the district. That reminds me – congrats are in order to Brad's mom – **Kathy Sevcik** – as she & **Rick LaManna** will be married by the time you read this! I am sure we had some winners in Sunday's game & in Monday's swiss, but they haven't happened yet.

We have 2 more promotions in our unit. **Ron Carter** is now a club master and **Flora Sniderman** is an NABC master. Great job

The unit holiday party will be held at the Blue Wolf (new name & owners, but the same place as last year) on Saturday Nov.18, at 11AM. Cost will be \$12.50.

The SS party will also be a brunch at the A La Carte in Canfield. It will be from 10AM till 4PM. The cost will be somewhere around \$16 and must be paid with reservation to either **Shirley Schaffer** or **Marge Cooksey**.

The Warren Christmas party will be held around 5:30 PM Friday evening, Dec 14.

This year we are having it catered by the chef from the Buckeye club and the food promises to be spectacular! It will be held at our new home in the Scope Center. Exact price not yet set, but will probably be around \$22 (depends on our final menu selections). Reservations can be made by calling me at 330-652-7265 or email me at cmarsteller@neo.rr.com.

Overheard at the bridge table:

South: Alert!
East: Yes?
South: I'm requested to further misdescribe my hand.

See you at the bridge table!!

Pittsburgh Potpourri *by Mary Anne McNeirney*

"It's a beautiful day in the neighborhood."

This quote from Fred Rogers aptly describes the bridge games we encounter at club games, sectionals and regionals throughout our district. Our players are enjoying competition, friendship, and hospitality. Volunteers are the lifeblood of our bridge world; offer your skills. Your help is needed and appreciated. One bridge player at the Labor Day Regional told me that she would have been happy to help if asked. Consequently, I am asking. Run for the Boards, donate your time, your culinary talents, your cleanup abilities, and your money. Take this challenge and keep the bridge neighborhood in sparkling condition.

It is my duty to inform you of the recent deaths of two outstanding volunteers: **George Lampropoulos** and **Roger Hansen**. George wrote the original bylaws for our unit, co-chaired two Nationals in Pittsburgh, served many years on the 142 Board, was President of the Unit, and was one of the finest gentlemen to grace the

game. My favorite story of his bridge adventures: George's wife made an effort to limit his bridge time. It was rare to see him at the clubs two days in a row. Once he accomplished this. When questioned as to how it occurred, he explained, "She asked me to take the garbage out and I kept on going." The Greensburg Board will hold a Memorial Club Championship for him. If I can, I will attend. Roger was a fine gentleman, a wonderful partner, and a dear friend. He played bridge at most three times a week; sometimes he couldn't get even one in. Nonetheless, he got his company, MORGAN STANLEY DEAN WITTER FUNDS, to sponsor two of our sectionals, and provide us with both registration gifts for all who attended and section top prizes for the winners. We will miss both and extend our sympathy.

The Labor Day regional is now history. What a wonderful event it was. **Roni Atkins**, **Judy Haffner**, and **Lou Joseph** have every reason for pride in this tremendous success. Although numbers were down, the opportunity for every bridge

player to have a grand time was there. The hospitality was spectacular. **Barb** and **Ken Bergman** are incredible. They provide abundant taste treats with style and dash. The prizes were imaginative and appreciated. The Partnership Desk, led by **Alice Williams**, was busy and successful. All the workers who made this fun possible earned our thanks.

The Olympiad was also a grand success. **Dick Early** and his crew deserve our kudos for providing this event for our newer players. All the Unit 142 players who participated in it made a point of informing me of how good a time they enjoyed and how helpful it was in broadening their bridge understanding. Our players were second in the competition, and **Steve Nolan** earned the Gold Medal as the best player. We delight in both achievements.

Another thing we have to celebrate is the supervised play bridge game with players with less than 10 points held at Rodef

Shalom in August. This was **Arlene Port's** brainchild, and she poured energy and heart into making it work. By the third week, the players, who had never encountered duplicate previously, were playing in tempo, keeping score and often getting to the right contracts. Arlene thanks her helpers: **Lou Joseph, Judy** and **Harold Haffner, Reanette Frobouck, Roni Atkins** and **Marge Tamres** for their aid in the program's success. Many of these bridge hatchlings will enter duplicate competition.

Please mark your calendars for our fall sectional. It will take place at the Masonic Center in the North Hills November 9-11. **Barb** and **Ken Bergman** are the Co-Chairs. You can expect great organization, stupendous hospitality, and wonderful competition and fun. There is a full newcomer schedule. **Darlene Mannhimer** (412-429-1147) will do novice pairings and I will do the regular partnerships(412-922-1136); come and enjoy.
