Bernie Fudor Wins McGilvrey Award!

The Ann McGilvrey award is in memory of the ethical and courteous manner of Ann. Bernie Fudor always greets the opponents and makes them feel welcome at the table. He is quick to compliment opponents and partners on good play. He is also the first to blame himself (not always correctly) for a bad board. Bernie has a wide variety of partners and is very competitive.

However, he never forgets that good sportsmanship and ethics are the most important part of the game, which makes him a perfect winner for this award.

Congratulations, Bernie!

WE HOPE YOU'VE LEARNED YOUR LESSON!!

That lesson being the fact that the Board of Directors has made a generous amount of money available for each Unit in District #5 to conduct a novice teaching program.

Although this is a Unit project, any individual who wishes to take advantage of this opportunity may do so with Unit permission. Some of our members have participated in this program and found it a great way to get others involved in bridge.

If you are interested, we have a wonderful format you can follow – or simply design your own program. Project request forms are available on the District #5 website: <http://d5bridge.com> or contact **Arlene Port** at 412-521-3637, or e-mail printsus@verizon.net

Whistfully Yours

Coming soon..... Our ever popular Vichill League competition. If you are new to our Unit (or the Akron Unit) and are not familiar with this, you don't want to miss out on this really fun event!!! Newer players are encouraged to participate. If you haven't tried a team game you will find you don't have to worry about giving away overtricks by leading Aces or Kings so its OK to do it. The idea is to make your contract, or if defending—set the other guy any way you can. Hands are only played twice, once by you and then by your teammates – so the best result gets the most victory points.

The league is a 10 session team event with sectional rating. Play is usually once a month beginning in September, at St. Michael's Woodside on Mill Road in Broadview Heights commencing at 7:30pm. No sessions are planned for the month of January or February so you should not have to worry about getting there in bad weather.

Teams are placed in brackets of 10 rated by masterpoint holdings so you are playing against people in your peer group. You may have up to 6 members on your team. For information or to sign up as a player or a team please contact chairpersons **Donna Largent** 216/267-5448 or by email at

bridgecatx@gmail.com or **Peter Miller** 216/752-7767 or by email at pdm22131@wowway.com. Applications can also be found at our website: whistclub.org. Signup is due no later than August 31st.

New Life Masters were honored at our annual dinner. Those attaining this goal in 2007 were: **Connie Bogan**, Strongsville, **Mike Furlan**, Euclid, **Joanne Lane**, Beachwood, **Patti Perlmutter**, Beachwood, **Bradley Sevcik**, Boardman, **Jim and Linda Stahl**, Chagrin Falls, and **Roz Wolf** of Beachwood.

In closing, the following are some reasons why bridge is better than sex:

1. You don't have to hide your bridge magazines
2. The Ten Commandments don't say anything about bridge
3. You can have a bridge calendar on your desk at the office, tell bridge jokes and invite co-workers to play with you without being sued for harassment
4. You can still do it in your 80's and people won't gasp in horror when they find out
5. The phrase "can be short" carries no negative connotations

Tri-County Themes

by Alex Bealles

Regretfully, this column must begin with the sudden and unexpected passing of **Jan Horwitz**, a wonderful person and Unit 229's acknowledged top bridge player. Jan was a recent Diamond Life Master who would certainly have been a Grand Life Master had she not given up her professional playing career when she married her late husband, **Maury**. Among her many bridge accomplishments were two North American championships, the 1969 Summer Mixed Teams and the 1975 Fall Women's Teams. In addition, Jan and **Barbara Norante** won the Epson World Wide Pairs contest one year, earning a mention in the Guinness World Record Book as the winners of the largest single bridge event ever held. Jan was a pleasure to play with and against. She was a wonderful teacher who helped many novices over the years. Besides bridge, Jan had numerous other interests, including gardening, golf and tennis. Many of us will long remember her annual battles with the various animals attacking her gardens. My personal favorite memory of her came one Thursday evening at the Butler duplicate game. Maury placed Jan in 6S and my partner, **Betty Purvis**, doubled. After the dummy came down, Jan turned to Betty and said with a chuckle, "That isn't a very sporting double." It turned out that Betty had the ace and king of trumps.

In other news, August is our Unit game's first month in its new location. The game is now at the New Brighton YMCA, located at 2236 3rd Avenue. The new start time is 6:00 P.M. A map is available on-line through the pittsburghbridge.org web site on their club results page. In May, the overall winners were **Sally Veauthier** and **Chuck Coleman**. The E/W winners were **Marie Fanning** and **Helen Greenberg**. In June, the overall winners were **Jane Crowley** and **Iola Croner**. **Henry Nelson** and **Alex Bealles** came in first E/W.

A number of Unit 229'ers have done well at tournaments recently. At the All American Regional in May, **Doris Hess**, **Janice Smith** and their teammates finished second in Flight C in the Friday Swiss Teams. On Sunday, **Henry Nelson** and **Alex Bealles** came in second overall in "X" in the AX Pairs.

Several 229'ers attended the always wonderful Greensburg Sectional in June. In the Friday Afternoon Pairs, **Nancy Welsh** and **Cliff Huffman** finished first in Flight B. Also on Friday, **Jan Horwitz's** team won the top bracket of the compact KO's. Meanwhile, **Lorraine Worsley**, **Bob Freemon** and their teammates won the consolation for the top bracket. **Helen Brydon** and **Mary Lou Ford** were consistently impressive, placing in the overalls for Flight B in three of the four pairs events held over the weekend. On Saturday night, **Cynthia Custer**, **Sheila Rabovsky**, **Marion Bradford** and **Judy Lynch** came in first in Flight B in the Swiss Teams. **Jean Brackett**, **Patsy Bachman** and their teammates finished third in Flight B in the same event.

Nick Tredennick led Unit 229'ers in the District 5 Summer STaC, held in June. Nick placed in the overalls three times that week and also led the Unit in masterpoints won.

At the Pittsburgh Spring Sectional, held in McKeesport, **Janice Smith**, **Doris Hess** and their teammates finished second in Flight B in the Sunday Swiss.

Congratulations to all and good luck in upcoming tournaments. My e-mail address has changed, so I can now be reached with news and/or comments at awbealles@zoom-internet.net.

Have a great summer & keep busy – See you at the bridge table!

Erie Excitement *by Beverly Walz*

By the time you read this, our annual meeting and picnic will be over, and we'll be looking forward to our Sectional in September, the 13th and 14th. Hope you'll be able to attend; remember our famous cookies.

Some members of our Erie Unit did well overall in the STaCs. **Pat Smith** and **Kathleen Horan** were third in A while **Elaine** and **Steve Dylewski** were second in B and **Doris Kirsch** and **Randy Cox** were 6th in B.

We had another sad loss for our unit. **Charles Dailey**, a Silver Life Master and an active member of the Erie community, died on June 5. Chuck lived in Florida in the winter since retirement, but he played regularly at our games in the summer. We offer condolences to his family; he will be greatly missed.

Congratulations to **Doris Kirsch** on passing

the test for director certification. She and **Shirley Irish** are now the directors for our Monday and Wednesday games as well as directing the Tuesday Double Trouble game while **Jim Wise** is taking a leave from directing. We'll miss **Lori Benacci**, our excellent previous Friday director, and we especially thank **Shirley Irish** for coming out of "retirement" to help direct our games.

We recently raised the price of our games to \$4.50, but this is a great bargain for several hours of fun.

The Ben Scott Trophy game was held on June 18, and it was gratifying to see a large turnout of 13½ tables in play. You will recall that Ben died earlier this year. He had been a vital part of our unit until his move to North Carolina. Overall winners were:

- 1 – **Barb Grzegorzewski-Marc Sylvester**
 - 2 – **Doris Kirsch-Arlene Millhouse**
 - 3 – **Bill and Peggy Blackburn**
-

-
- 4 – **Jim Duncan-Pat Smith**
 - 5 – **Rose Jaskiewicz-Lori Benacci**
 - 6 – **Lois DiPlacido-Shirley Irish**

Many in our unit are going to the Nationals in Las Vegas in July. Hope everyone has a great time and has success in the casinos as well as bridge. Maybe we'll see you in Pittsburgh for the Labor Day Regional, but wherever you are this summer, good bridge to you! (And remember to checkout the details for our September Sectional).

Pittsburgh Potpourri *by Mary Anne McNeirney*

Things are looking good. The Penguins did us proud; the Pirates are playing with some verve, not a winning team yet but giving us hope and often excitement, Steeler training camp approaches, and my health has improved. I missed the Memorial Regional for the first time in 30 years and was only able to be at one session of the Greensburg tournament. Fortunately, I was able to play every day at our sectional and do my job as Partnership Chair. Old age isn't for sissies and I plan to push as long as I can.

Speaking as a partnership worker, I have some guidelines for those seeking assistance. When you ask for a partner, be specific. Tell us when you need one or more, name the events you wish, tell us the number of points you've amassed, the systems you play and your telephone number or where you can be reached. Also, if you get a partner, inform us so we do not continue looking on your behalf. We do work hard to find compatible and congenial people for you. Our success rate is quite high. We expect you to be courteous and considerate of these arranged partners and realistic enough to recognize that the really superb players are not our usual patrons (you, being the exception, of course). Also recognize that we do not call to tell you that we haven't found anyone for you. We will only call when we have possibilities. (I was annoyed when someone told me I was rude when I didn't call to tell him that. I thought an intelligent person would have worked that out). Most of the bridge players who make use of our partnership

service are gracious and appreciative. They make our jobs very rewarding.

I told you last time that 2008 summer bridge would be stupendous. So far I haven't been wrong. Our Annual Award Party in May was fantastic. Well organized by **Lou Joseph**, catered with flair by **Roni Atkins**, it provided all who attended with great fun and a wonderful opportunity to honor bridge friends who earned recognition in 2007. All our new 2007 Life Masters were recognized, our Mini McKenney and Ace of Clubs winners acknowledged, and our various unit club champions received our acclaim. Then our special Unit Awards were distributed. The Fred Sorensen Award for the most points earned in our unit events, club games sectionals and special events went to **Asim Ulke**. Since its inception in 1999, Asim has won this every year but one. The next award, the Distinctive Service Award, went to **Bill Holt** who does whatever asked to keep our unit in good shape. One of his accomplishments last year was the organization of the criteria for the **Ninmi** Award and the design of its exquisite trophy. This award, funded by her husband Jay, goes to the non-Life Master who won the most points for the year. The first winner is **JoAnne D'Antonio**. The Jane McIntyre winners were the next honored. This award goes to the players who help the rest of us enjoy the game by their courtesy, consideration, fairness, and sense of fun. It is not a service or skill award, although they may exhibit both. The winners this year are **Patty**

Katz, Susan Koning, Ada Nye, and Jackie Skirboll. Each of them helps greatly in keeping the game fun. The most prestigious award is the **Milt Frazier** Award given to the player whose service, behavior, and ethics do the most to create community within our Unit. **Sandy Schechert** earned this with her outstanding efforts over the years. Board Member, Vice President and President, Unit Club Manager, Sectional Chairman many times, worker at all Unit events, she has at least 20 years of service to her credit, We are proud of her and all our winners.

After the wonderful scrumptious Greensberg sectional came STaC week. As you can see, Unit 142 players gathered in much silver. Our Pittsburgh Sectional was wonderful, thanks to Chairs **Sue McQuillan** and **Sharon Rohr**. If you didn't have a nice time there, you didn't come.

Now summer still affords us grand opportunities for fun and points at Buffalo, Vegas Butler, Wheeling, and Labor Day.

Let's go and enjoy.

Allegheny Mountain News *by Bud Kury*

Our Unit 185 members have been playing a lot of bridge in 2008 and many have been gathering up those masterpoints, but the big news is coming from Altoona where our unit has a new Life Master. **Mary Moran**, who hails from that city, has become the latest to win her "Gold Card. " Playing mostly with her favorite partner **Beatrice Stevens** at the Altoona bridge games, she got her Life Master this past spring. Again, a big Kudos for a job well done.

We also had two other Unit 185 bridge players who have reached a huge milestone within our unit; **Marjorie Ajay** and **Charles Gorsuch** have both become Silver Life Masters. Marge is from Johnstown and got the points to put her over at the Cities Sectional in Titusville. Chuck, who is an avid cyclist and from Altoona, went over with enough points at the "Altoona Horseshoe Curve" Sectional. Both are long time Unit 185 members and are currently playing at their local clubs. They should be congratulated for an achievement that only a small percentage of bridge players obtain.

Others should be mentioned for movin' up the ladder in the ranks in their

quest to become Life Masters. These Unit 185 players and their new ranks are:

New Club Masters:

1. **Leonard Burgan** – Altoona
2. **Mark Harlan** – Huntingdon
3. **Rose Saccone** – Johnstown
4. **Vince Saccone** – Johnstown

New Sectional Masters:

1. **Jean Livingston** – Johnstown
2. **Delores Thompson** – Somerset
3. **James Kirkstadt** – Johnstown
4. **George Zdravecky** – Johnstown

New Regional Masters:

1. **Helen Hettle** – Johnstown
2. **Grace Moore** – Altoona
3. **William Jillard** – Altoona
4. **Jean Livingston** – Johnstown

New NABC Master:

1. **David Livingston** – Johnstown

Again congratulations to all, and for the ones movin' up the ladder, hang in there, your day will come.

The last piece of information that our members might be interested in, would be the QUIP report for the 12 month period ending March 31, 2008. Unit 185 did quite well in three of the categories but not so well in the other three. We were first in "New Member

Retention % in Year 2" and the "Average Years of ACBL Membership" and close to the top of "Average Member Age" but near the bottom in the other three categories of "New Member Gains," "Member Losses," and "Active Membership Trend." We, as a unit, need to sign up new members. Let's all try to do this and have a healthy unit. Keep on playing and trying to get those 70% games.
