## *Ann McGilvrey Award*

It is time to propose candidates for the prestigious McGilvrey Award for sportsmanship and ethics. This award honors a District 5 player, or in some cases a pair, who epitomize(s) ethical behavior and good sportsmanship at the bridge table. On June 8, 1973 the District V bridge community suffered the loss of Ann Lytle McGilvrey, Ralph Vichill and Lee Coito in a tragic boating accident. In honor of Ann's memory, and her reputation as one who exemplified the highest standards of sportsmanship and ethical behavior at the bridge table, the Board of Directors of

District V instituted the Ann McGilvrey Award. It is presented at the May regional each year to a player or partnership who reflects those same positive qualities. These recipients are not chosen on the basis of service or bridge ability. Only past winners are invited to participate in the selection process. Typically the selection committee will look for someone who has established a districtwide reputation for active ethics and good manners. Here is a list of previous winners, with the year if known:

*Special Award Presented to  
Cathy Marsteller*

February 9, 2010 will be remembered by some as one of the worst snow storms of Ohio. The snow “crawl” on the bottom of TV’s was fifteen minutes long announcing canceled activities. A Valentine’s party had been planned for the Bridge Club, and **Cathy Marsteller** and **Joe Newton** were early. Cathy was worried that they would probably have to cancel the game because of the weather.

It soon became apparent that they were not canceling the game!

As they entered the game room, they were greeted by 9½ tables who showed up for the dinner/bridge game which was in fact, a tribute to Cathy. She was given a plaque as the Most Valuable Player of the Trumbull County Bridge Club. **Donna Guerra** composed a poem for the presentation, and a letter from **Bill** and **Sandra Lippy** attested to her competence as a nurse as well as a bridge player.

Valuable and committed to bridge do describe Cathy. She has been a great asset to the Trumbull club as well as the Unit. No task is too small or great, from learning the computer, composing the column for Unit III in the 5th Column, an Ace game arranger, and talented mistress of ceremonies. All of this is done with grace and special abilities.

One such incidence — after the Saturday session of the Youngstown Tournament, she was magically able to put together two teams for Sunday morning (it took a few hours, but Cathy was up to the task.) One of her favorite partners is **Joe Newton**, and they are frequently on the Winner’s List. An aspect of her personal life are two “grandsons” who accompany Joe and Cathy to tournaments—they don’t play Bridge yet, but enjoy the pool and machine games of the hotel, and “grandma’s” eyes light up when they are near.

*Well Deserved, Cathy!!! You are a Most Valuable Bridge Player, thanks for all that you do.*

# Unit 111

by Cathy Marsteller

Once again our sympathy goes to **Nancy Tripodi** who recently lost a son to a heart attack.

There is a great loss to our bridge community in the passing of **Flora Sniderman**. She has been well known for her activity on line playing bridge and amassing oodles of points. She died of cancer. There is a wonderful article about her on page 29 of the March Bulletin. Our sympathy to friends & family.

It takes a heck of a lot to surprise me, but apparently not as much as I thought. My friends and the bridge community held a surprise 61st birthday party for me in Feb. It had to be the worst night as far as weather goes and I was grumbling that the game wasn't canceled. Well, what a surprise when there were over 9 tables, I had friends that had come from Pennsylvania, Cleveland, and the Youngstown area. There was a delicious catered meal and I was the recipient of the roast this time. You will never know how much this meant to me — "Thank you!" There was only 1 problem — It caused a bit of upheaval at home as my husband, **Joe Newton** & my step-daughter, **Emily Preece**, were 1st overall! Surely there was a fouled board! Results of that game follow:

## N/S

1. **C Ivan/ N Michael**
2. **D Bloom/ V DeJong**
3. **P Neidlinger/ B Olmstead**
4. **C Marsteller/ J Allen**

## E/W

1. **Joe Newton/ E Preece**
2. **N. Lietzow/ N Tripodi**
3. **D Fishbeck/ R Murray**
4. **B. & S. Grzegorzewski**

It seems like we just attended a party to celebrate **Dale Fishbeck** becoming a life master. Well, he is now a bronze master-WOW!

There was a party held for **Terry Murray** becoming life master on Saturday Feb.27. I understand the attendance and the food were great. Due to health problems I was unable to attend, but I certainly send my congratulations along with the rest of the unit for your accomplishment! Results of that game follow:

## OA in A

1. **S.Veauthier/C.Coleman**
2. **L.Rafferty/ M.Entzi**
3. **I.Ashhead/D.Kuthy**
4. **J.Sliman/R Carroll**
5. **T.&R.Murray**

## OA in B

1. **I. Ahead/D.Kuthy**
2. **R.Carroll/J.Sliman**
3. **T.& R.Murray**
4. **A.Leone/P.Agresta**
5. **D.Fishbeck/C.Beardsmore**

Our unit did very well once again at the Rock-N-Roll regional tournament this past January. Before I talk about the results, I will take a minute to mention **Robert Carroll** and his mission. He wants to make sure that anyone in our unit who wants to become a life master will. He gets so many out to the tournaments & arranges their teams etc. They almost always come away winners! We all come away winners after being around Robert & his unselfish enthusiasm! We appreciate you Robert.

- On Wednesday **Bern** and **Lynn** won the open pairs
- **Sally** and **Chuck** won the Thursday evening side pairs
- Thursday KO's Bracket C: **Brauns & Murrays** were 2nd
- Friday-Saturday KO Bracket 3: 1. **R. Carroll/T.Murray/C.Beardsmore/ D.Fishbeck**
- Flight B Swiss-Bracket 4: **R.Carroll/B.Young/G.&K.Braun** were the winners

- Flight A Swiss Team: I. The team consisting of the 4 Bernards! Of course our very own **Bern Olmstead** was one of them! They started playing in this game last year and now we see why – who could compete against 4 Bernies and come away on top?

High point winners from our unit were Bern who received 42 & Robert who won about 20! Another great job on the tournament scene.

Don't forget to check our unit website for any announcements & the unit game results etc. Thanks Chuck for a good job on this!

Hope to see you at the bridge table – ESP when the weather improves and our snow birds return!

## Canton Connection *by Larry Marracino*

Can you believe? Two months into 2010 and I forgot what grass looks like. Looks like another long, hard winter. What are you waiting for? C'mon down to your local [or not so local] club game. Friendly folks and competitive juices, just the thing for a cold season's day.

Several games of note: **C. Kuhlke/B. McGraw** turned 73.44% on 2/1/10. These girls know how it's done. **T.Kessler/P.Levy** and **B.Walgren/R.Whitacre** lapped the field from the Flight C box. These pairs have earned their spurs. Speaking of spurs: **Steve Schmidt** has moved on to Regional Master, and Pat Levy has reached Sectional Master. CONGRATS !!

A number of our compatriots scored tops at the Rock n' Roll Regional. In no special order: **Jill Otte, Elena Steingraf, Doris Mikstay, Jim Overcashier, Dan Roseberry.** We're proud of each of you.

Don't forget '8 is enough' every 5th Thursday of a month. Next one comes up in April. **START THINKING ABOUT YOUR TEAMS.**

Adios Amigos. With the XXI Games behind us now, let's look toward spring and summer. Enough skating, sliding and skiing. I'm waiting for the crack of the bat. S'long for now.

## Erie Excitement

by Bev Walz

By the time this column is published it will be spring, and the snow will be all gone. Right?? Right!! Bridge players must think positively.

Our games have been a little smaller the past few months because so many of our players vacation in warmer places, but they are loyal to Erie and will soon be coming back. We have had several new members, however. A big welcome to **Richard Veith, Dottie Rindzius, Mimi Bauman, and Judy Kissman**. They all play in the Newcomers' game and take weekly lessons.

Congratulations to **Kathleen Horan** who became a Life Master while playing at the Cleveland Regional with **Kathy Dammeyer**. Kudos to **Eileen Nill** and **Don Kirsch** who became Jr. Masters and **Joe Sweeney** who became a Club Master.

We will miss **Mary Holodnak** who is moving to Ohio. She has been an active member of the EBA, and makes wonderful desserts which now her friends in Ohio will appreciate.

Sadly, one of our EBA members, **Ray Fester**, recently died after a brief illness. Ray loved to play bridge and had a great sense of humor.

Haven't heard of too many locals who played in the Nationals in Reno, but we heard that **Marc Sylvester** and **Barb Grzegorzewski** were planning to compete. Perhaps some results of the tournament will appear elsewhere in this bulletin.

When my favorite partner and I vacationed in St. Petersburg earlier this year, we enjoyed playing several times at the Pasadena Bridge Club. It was a real coincidence to learn that **Elise Nick** from Erie used to play there regularly when she lived in Florida. The same congenial director has been there for 17 years and they have huge games. We met a couple from Cleveland and invited them to attend our Great Lakes Sectional to be held May 14 and 15. **Pat Nowak** and **Dave Bonner**, if you're reading this, hope to see you in Erie.

Guess that's it for now. Happy Easter!

# Pittsburgh Potpourri

by *Mary Anne McNeirney*

Today is March 5, 2010. So far bridge games this year have been rare. The weather has been less than favorable. Two feet of snow has discouraged even the most stalwart in our bridge world from venturing often into the bridge arenas. Last Friday night the unit had planned a team game. Due to the efforts of Jane Marshall and others on the Bridge Board, 16 teams were expected. 3 made it. I was on one of the teams that canceled. Two accidents, both fender benders, on my street, made me reluctant to try to make it to the event. I was one of the lucky ones though. My house never lost power. Thousands of the homes in our area did. It was not a fun night. But March has come in like a lamb, unexpectedly mild. I plan to play twice today and hope I'll be able to get at least ten games in during the next week.

Bad weather was not the only reason for my absence from bridge competition. Ill health has been my fate from December to now. Since I now am on the mend, I am going to enjoy the game daily, I hope.

I do the bridge hotline. (412-683-GAME) It tells all who call what games are available daily. Game managers call my home to inform me of cancellations or special games. I do not think it a truth stretch to say there must have been at least 1000 calls from December to March. One day I had to read the daily tape because the questions took all the storage space. I check the line at 11:30 A.M. and 5 P.M. daily to determine if any questions need answers. Usually I receive only 15 questions yearly, although there are calls daily. One day I checked in at 11:30 and found the storage area full. I got a lovely post card from **Joanne Zambroski** thanking me for performing the service. She proves my contention that bridge players are great people and Joanne is one of our class acts.

My health has determined that I will have to give up my home--my steps present too great a challenge I'm going to an independent liv-

ing home hopefully by summer. So any of you who need to contact me, use my cell 412-327-0755.

I have already mentioned **Jane Marshall** in this article for her effort in regard to the team game. Jane is a recent addition to PBA Bridge Board. Her energy, ideas, and elbow grease have helped increase unit game attendance. How lucky we are to have her. Other Board Members deserve recognition and praise as well. **Ken** and **Barb Bergman** are sterling examples. They have planned an exciting and interesting sectional at the Masonic Center on Cemetery Lane in Ross Township, the last full weekend in April. Hospitality and entertainment will be abundant. You'll never be able to say there's no such thing as a free lunch for it's planned for you Saturday. The Friday schedule is 1:30 and 7:30, but the Saturday arrangement is innovative and fun. The games begin at 11 a.m. and continue at 3:30. There is a free lunch in between. There's also entertainment at the lunch which promises to be fun. You'll be able to play 2 sessions and go home or to dinner when it's still light. As many of our bridge players are of advanced age, driving at night is not their favorite activity. I think it's great to go home early and still have my bridge fix.

Sunday the team game begins at 11 A.M. but come early to enjoy the fabulous brunch. Lunch is included in the game price. So come and enjoy a fantastic weekend. If you need a partner call me at 412-327-0755 and I will try to fix you up with a competent, compatible and fun match. Also there's a full Newcomer Program. **Darlene Mannheimer** will be working her magic on partnership and team games. Her number is 412-913-5944.

It's not too soon to be thinking of getting your partners and teammates for the Memorial Day Week-end. Great fun awaits you there. Do have a grand spring and great bridge.
