Pass the Hyatt on your left and follow the road around to the left, following the signs to “Hyatt Parking”. Hyatt Parking is an area within Airport Long Term Parking. Take a ticket upon entering the lot and proceed to a spot in or near the area called “Hyatt Parking”. You may also park in any space in the Long Term or Extended lots. ***Do not park in short term parking. Your parking pass will not work in short term parking.*** There is Handicapped parking immediately outside the meeting area. There are entrances to the meeting area directly from Hyatt parking. You do not need to go through the main part of the hotel.

At Tournament Registration, request a parking pass. Submit the pass at the toll booth when you are leaving. Get a new parking pass each time you park.
