

Rules for Fast Pairs

We will be running a lot of fast pair events, some side games and some of them main events. If you play in them, you need to be aware of the rules. You will have five minutes per board with one minute to move. There will be automatic penalties for any table over one minute late, with both pairs receiving penalties if no one accepts responsibility.

Please note that on Tuesday, Wednesday and Sunday there will be no regular two session pair games that aren't fast pairs.
